There is no use to tell you
how bad I will feel if
you don't come but I simply
see how you feel - I looked
up in the Catalogue the dress
you said, it sure is swell -
Maurice said if Dean
would drive up - with you
Eula & the babies he would
pay for the gas, you could
start Early Friday Am
its about a 6 hr drive
in a big car - and then
you all could stay over
Sat & Sunday -

Our banquet was last
Friday nite, Maurice got me

a corsage bouquet of pink & blue
sweet peas (oh boy) they sure
were pretty - we are invited out
for supper tonite - class play
to-morrow nite, our dinner we
are giving for Leora, Wed. nite,
commencement Thurs eve, and a
picnic Friday eve - murder
do you think I'll survive - I have
to make a fruit cocktail and
help with the entertainment -
I'm having the Heddles up for
dinner this noon as she has
such a big washing on -
I owe Euel a letter and will
write to-day or tomorrow tell her -
So Midge came home, gee I
would like to be home and see
you all - got the pictures, the
one on the porch was dandy
they will want some more
I am enclosing the \$1.00 Mrs
Watson gave me to pay for the
pictures - Emily Watson is
going to give me a little testament
to give Marian for commencement

~~They~~ are so cute, and are nice.
as they cost \$1.50 - so Marian will
have to treat it nice - Emily gives
them to people that she thinks will
read and appreciate them.

Must close and get dinner
on lots + lots + lots of love
